

marine lubricants

## Important: Change to the FAST™ family of products

Dear Customer,

The FAST laboratory address in Belgium for FAST™ and DOT.FAST® used oil analysis has changed.

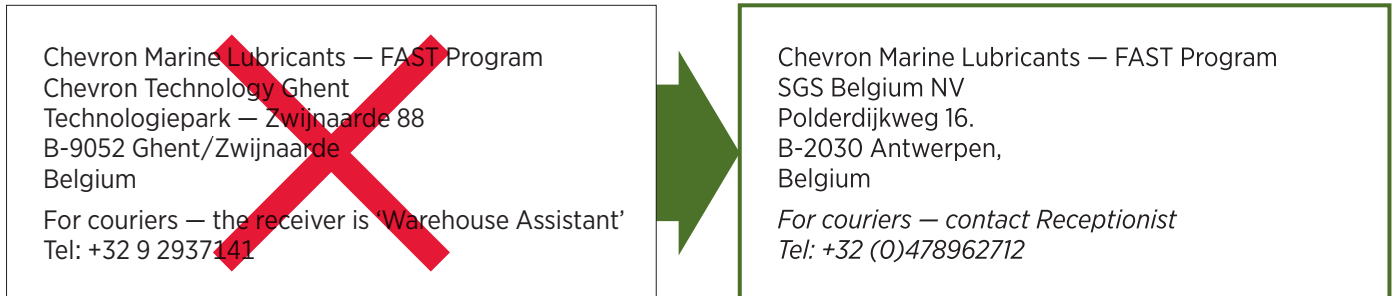

For samples sent to the laboratory in Belgium after 15th November 2021, please use the below address:

**Chevron Marine Lubricants – FAST PROGRAM**  
**SGS Belgium NV**  
**Polderdijkweg 16.**  
**B-2030 Antwerpen**  
**Belgium**

**Couriers contact receptionist**  
**Tel:+32 (0)478962712**

Use the enclosed mailing label with the new address to cover the old address on the FAST Sample Kit bags (as illustrated below), or print and use the labels attached to cover the old address.

**For used oil samples off landed in mainland China, please continue to use the Shanghai lab address**  
(mailing labels for this are included in each FAST Sample Kit).

Thank you for choosing the FAST family of services for your vessel equipment monitoring.

Please do not hesitate to contact us if you have additional questions:

- FAST condition monitoring: CMLfast@chevron.com
- Drip oil testing, non-routine testing and general technical questions: CMLtechservice@chevron.com

With kind regards,

Chevron Marine Lubricants
